

You're Invited to the

NASA SPoRT Stakeholder Summit & Seminar Series

Global Precipitation Measurement Applications

*Wednesday, October 11th, 2023
2:00 - 4:00 P.M. Eastern Time
Virtual via Google Meet*

Register [Here](#) by Friday, September 29^h, 2023

AGENDA INCLUDES

- ☁ Overview of NASA's Global Precipitation Measurement Applications including:
 - ☁ Integrated Multi-satellite Retrievals for Global Precipitation Measurement (IMERG)
 - ☁ Level 2 Rain Rate products
- ☁ Discuss needs and gaps related to drought, landslide, and precipitation data
- ☁ Evaluate how NASA's GPM applications can add value to stakeholder's decision-making efforts

MEET OUR HOSTS

DR. EMILY BERNDT
NASA SPoRT
PRINCIPAL
INVESTIGATOR

ANDREA PORTIER
GPM APPLICATIONS
LEAD

ANITA LEROY
UAH RESEARCH
SCIENTIST
